The Brook of Gladwin: Meet & Greet

April 11, 2024 8:00

All are welcome!

LANSING, Mich. --As Michigan continues to face record high winter temperatures, Governor Gretchen Whitmer urged Michigan small businesses impacted by lack of snow to apply for federal funding from the Small Business Administration (SBA). Amid the warmest winter on record, with days in February and March topping 60 degrees, federal Economic Injury Disaster Loans are available because of ongoing federal drought declarations affecting 42 Michigan counties, including Gladwin.
